

TEAM Challenge 2010

Your organization or group can make a difference in your community.

How? By participating in the third Club ACCESS/PACE, Inc. Wheelathon Team Challenge.

The Parkland student organization, Club ACCESS and PACE, Inc., Center for Independent Living are conducting a Wheelathon to raise awareness and raise much needed funds to support projects of these organizations. Both organizations offer services and support information to increase opportunities for persons with disability to live full, productive, and active lives in our communities.

Both people with and without disability will have an opportunity to go the distance in the Wheelathon by using a wheelchair to negotiate a prescribed route. The Wheelathon, occurring, on April 17, 2010 at 9:30am has two purposes.

- 1. An inclusive activity to raise campus and community awareness of issues involved when using a wheelchair for mobility and the importance of accessibility.*
- 2. To raise funds for scholarships and independent living services to persons with disability in our community.*

We want you to meet the challenge by sending a team to the Wheelathon. The team challenge promotes friendly competition between teams organized from businesses, organizations, or just groups of friends. A team is composed of two to seven people. If your team exceeds seven members, you can form multiple teams as long as each team is two to seven members. Here's how it works.

- 1. Recruit one or more team(s) of wheelers/walkers who share a wheelchair and work together to raise funds for the Wheelathon.*
- 2. Choose a team name and a team captain for each team who will serve as liaison to the Wheelathon committee and will lead your team to success.*
